RESEARCH USE ONLY AGREEMENT

This agreement is intended to certify that your institution has been informed of and agrees to the following restrictions for all products sold by Iwai North America Inc. which are intended for research use only:

- All products are for research use and should not be used for human, therapeutic or diagnostic applications. Under the U.S. Food and Drug Administration (FDA), the products Iwai North America Inc. provides are available only for research uses. The Code of Federal Regulations, Title 21, Sections 312.9 and 809.10 explicitly state that such research products are for investigational use in laboratory research animals or in vitro research. These products are intended for research use only.
- In addition for medium products, they are to be used as a support material for growing animal cells in culture.
