

# STEM CELLBANKER® GMP Grade

Manufactured by:

ZENOGEN PHARMA CO., LTD.

## List of Cells Tested

**\*\*Cell types are constantly being added. Please contact use if you cannot find your cell on this list.**

Cell Type	Description
HS293	Human embryonic stem cell
HS306	Human embryonic stem cell
ChiPSA	Human iPS
	Human UCB-derived MSCs
	Human dental pulp stem cell
	Human endothelial Progenitor Cells (EPCs)
	Human iPSC-derived cardiomyocyte
	Human iPSC-derived neural stem cell
	Human gastric cancer stem cell
	Dog dental pulp stem cell
129SV	Mouse embryonic stem cell
Tissue	Umbilical cord tissue
	Thymic tissue
	Mouse kidney tissue
Organoids	Bronchial organoid
	Intestinal organoid
	Lung cancer organoid
